

REW™ Technology Proof Form

REAL ESTATE WEBGRAPHER™

As a REAL ESTATE WEBGRAPHER™ certificant you have made the commitment “...to implement or administer [whether for myself, employer, or clients in real estate] at least one (1) web-based technology, each year as an active REAL ESTATE WEBGRAPHER™ certificant...”

Procedure for REW™ Technology Proof Form

- *Check the box of the corresponding web technology you have implemented or administered* [whether for yourself or for a client].
 - You are allowed to state a technology that was implemented before certification that is still in use and you are currently maintaining or administering.
 - You are allowed to state the same technology from the previous year if performing continued use or maintenance of the technology.
- *Provide proof the technology has been implemented.* Provide details of proof for a given technology as instructed below.
- *Provide your certificant information as denoted on your certificate.* Provide certificant-specific information as instructed below.
- *Place your signature on this document.* Please sign this document on the second page, committing that all information provided is truthful and factual.
- *Obtain signatures of broker, employer supervisor or client.* For those certificants who have implemented or administered a web-enabled or web-centric real estate technology for an individual other than themselves, please obtain their signature as noted on the second page of this document.
- *Fax Pages.* Please fax both pages and any additional documents to 888.674.9394.

1) Web Technology Implemented

Check the box of the corresponding web technology you have implemented or administered.

- | | |
|---|---|
| <input type="checkbox"/> Agent Website | <input type="checkbox"/> Blog |
| <input type="checkbox"/> Single-property Website | <input type="checkbox"/> Direct Marketing (web-based) |
| <input type="checkbox"/> Neighborhood Search | <input type="checkbox"/> Virtual Tours |
| <input type="checkbox"/> AVM or CMA | <input type="checkbox"/> Mobile Application |
| <input type="checkbox"/> Electronic Forms (Online) | <input type="checkbox"/> Lead Generation |
| <input type="checkbox"/> Online Transaction Management | <input type="checkbox"/> CRM Online |
| <input type="checkbox"/> Online Listings / Classifieds. | <input type="checkbox"/> Other _____ |

2) Proof of Implemented Technology

Provide proof the technology has been implemented given the following options:

 URL

Provide a URL that displays your contact information (or that of the witness or supervisor) that is inclusive and viewable from the URL (*such proof is true of agent websites, virtual tours, single property websites, online listings / classifieds, blogs, etc*). Enter URL below:

 Print-out

Print out a view of the online, real estate application you have enabled or administered and affix as additional pages. This is true of applications where a URL cannot be readily provided.

3) Certificant Information

Provide your certificant information as denoted on your certificate.

First Name: _____

Last Name: _____

Certificant ID#: _____

Date Issued: _____

3) Certificant Information

Signature by the certificant means certificant is bearing truth that all provided information is accurate and factual.
