

## *Commitment*

### **REAL ESTATE WEBOGRAPHER™**

As a REAL ESTATE WEBOGRAPHER™ candidate the following is my commitment upon becoming certified:

- To implement real estate technologies [whether for myself, my employer, or clients in real estate] that are consumer-oriented and consumer-centric.\*
- To implement real estate technologies that meet established business requirements and remains within a specified budget.\*
- To implement real estate technologies that can streamline and improve current [possibly outdated] processes and procedures.
- To be an advocate for real estate technology use amongst my peer professionals, my employer, or my clients.
- To act as an early-adopter to real estate technology, when other peer professionals may not have a willingness [or understanding] to adopt real estate technology.
- To remain knowledgeable, to the best of my professional ability, on the latest real estate technologies that become available on the market.
- To uphold the integrity of the REAL ESTATE WEBOGRAPHER™ certification marks, upon which I am given limited use upon becoming certified, by adhering to the rules and guidelines as specified in the REW™ Marks Use Guide.
- To implement or administer [whether for myself, employer, or clients in real estate] at least one (1) web-based technology, each year as an active REAL ESTATE WEBOGRAPHER™ certificant, as detailed in the REW™ Technology Proof Form.
- To understand that I must complete a renewal course to renew and maintain my certification status every 2 years.

\* The use of a described process, practice and program are employed at the discretion of the real estate services practitioner who is solely responsible for the actions, results and consequences of the services rendered. National Institute of Webographers, LLC, its officers and/or employees assume no responsibility or liability in connection with the delivery of services or the use of concepts, programs or tools that are presented in the capacity of consulting, educating, or certifying and renewing candidates. Members in good standing are granted limited use of the recognition status, logo, trademarks and copyright materials as provided in the REW™ Marks Use Guide. Bi-Annual renewal of certification is at the option of National Institute of Webographers, LLC based on each members meeting minimum requirements to maintain certification status.

REAL ESTATE WEBOGRAPHER™

REW™

The certification marks above are owned by the National Institute of Webographers, LLC and are awarded to those who successfully complete initial and ongoing certification requirements.
